Re: Notice of Availability
Proposed Revision 21.0 of the
Los Alamos Nat. Lab. Federal Facility
Compliance Order Site Treatment
Compliance Plan Volume.

March 2nd 2012.

RECEIVED
MAR 2012

To Whom it May Concern:

I am strongly against establishing a new milestone compliance date — unless it be to require an earlier compliance. The Laboratory needs to fulfill its obligations and the sooner the better.

Thank you for considering my opinion.

Barbara Evans.
