SUBJECT

Closure of Batch Treatment System.

SUMMARY OF COMMUNICATION

LANL plans on closing the Batch Treatment System in the near future. The Batch Treatment System is a permitted unit.

The Closure Plan to be implemented may be different than the permitted closure Plan for the unit. LANL will notify us of closure to be commencing (in writing) and submit the final closure plan that the Treatment system will be closing under. ~~[illegible]~~

CONCLUSIONS, ACTION TAKEN OR REQUIRED

If the final closure plan is significantly different than the one in the permit (re: Class 2 or 3) then we may have to issue a public notice to modify the closure plan before closure is implemented. If the final closure plan is insignificantly different than the one in the permit (re: Class I) we will not have to go to public Notice
