Glenn Vogt - M-Division

Space assignment - Disposition of Beta-11, 12 and 13

M-0-50

This memo is to advise that the subject installations are not required by M-Division in connection with their use of Buildings - 1 and 5. The installations in question are understood to be an "Under Ground Water Tank", "Under Ground Water Pump Equipment" and a "Septic Tank". The units or equipment as noted in the subject are accordingly returned to Engineering-3 for disposition.
