MEMORANDUM OF MEETING OR CONVERSATION

☐ Telephone ☒ Personal	Time 9:30	Date 2/25/85

Originating Party	Other Parties
NMEID - See attached list	Los Alamos National Lab
(Crossman)	See attached list

Subject: Informal review of Waste Analysis Plan and Closure/Post Closure plans submitted by LANL on Nov 1 and Nov 30, '84

Discussion: The attached notes were discussed as suggestions for areas to expand or rewrite if they are submitted as Part B materials. The timing of Part B rewrite or change was discussed. Changes in interim-status facilities in lieu of Part B permitting were discussed.

Conclusions or Agreements

1) LANL will take the attached notes into consideration
2) Any closures or Part A changes desired will be submitted seperately from Part B
3) The draft Part B will be submitted for review in late March '85

Distribution: LANL

14836

Signed: CK Crossman
