Originating Party	Other Parties
John Cruger; Paul Schulmann 667-2191	AG Gordon

Subject: TA-16 closure plan

Discussion:

p. 7 liner decontamination - already cut up + put in barrels instead of cleaning; can incinerate -

p. 8 surface sampling - page 11 mentions coring ~~excavate~~ do surface then core if necessary

grid 5-1B 2 fab centers to grid

schedule - typo plan → plant.
