Re: Permit Modification Request on NMD002208627

Dear Mr. Sides:

In response to your letter dated July 29, 1994 to Mr. Bob Edgar, we here at Rinchem Company, Inc. agree with the language changes you proposed to the Class I permit modification.

We also want to thank you and the Environment Department for letting us modify the permit in such a way as to be able to change the coordinator list without additional fees in the future.

I will have page 133 and 134 changed in our permit modification request to reflect the new language.

Please contact me if you have any further questions. Thank you.

We Care,

Paul Levesque
Albuquerque Administrative Coordinator
