To Whom It May Concern:

This letter is to notify you that on June 20, 1994 Rinchem Company, Inc. asked the New Mexico Environment Department (NMED) for a permit modification to our operating permit for our facility at 6133 Edith Blvd. NE, Albuquerque, NM 87107.

The modification was needed to the contingency plan due to a change of personnel in our Emergency Coordinator position and this person's alternates. The NMED approved the permit modification request on September 8, 1994.

You may review the changes of the permit at our facility or contact Marc Sides at the NMED (505) 827-4308.
