Remarks:

Jack called in Response to our October 7th letter:

① Buildings 167 + 370 at TA-21 have already been demolished (10/8/09 + 9/29/09 respectively)

② unsure about what to do for 30-day notification

③ will send revised list and schedule for remaining D+D activities at TA-21

④ will also send 30-day notification for next Bldg scheduled to be D+D in November.

Katie Response:

- Please send revised list + 30-day notification
- Not sure what well will do or deal with not notifying us of D+D work at 21-167 + 21-370.
  ↳ need to discuss w/ management

Action Required:

- Michael Dale will visually confirm that both Bldgs have been D+D + send email to Katie
