RE: Closure Trust Fund for Rinchem Company, Inc.

Dear Ms. Hoditschek:

Per your suggestion to us at our meeting on November 3, 1994, we are writing to let you know how we intend to handle our closure trust fund now that we are submitting a permit reapplication.

Since we will be doubling our storage capacity and the regulations have been changed to specify that the closure cost estimate must be based on a third party doing the cleanup, our revised closure cost estimate indicates that we need a larger trust fund than we currently have. We propose to establish the increased trust fund by starting with our current trust fund balance and using a 10-year pay-in period to increase it to the appropriate amount.

Please let us know if this is acceptable to you.

Thanks for your consideration of this matter,
