NAME Mr Zappe
(Statement for the record)
ADDRESS DATE
℞ (Please Print)

I received this card as a member of SW Research. I object to their effort ~~to~~ in opposing DOE plan in container inspection. Of course DOE proposal is safe for health + future safety. SW Research continues to obstruct safe low grade nuclear waste disposal/storage and taxpayers pay the extra costs. Nuclear energy and nuclear med costs more

LABEL
REFILL TIMES PRN NR
M.D.

TO INSURE BRAND NAME DISPENSING, PRESCRIBER MUST WRITE "NO SUBSTITUTION" ON THE PRESCRIPTION.
