EPA ID NO. NMD002208627

Dear Mr. Gariss:

Enclosed please find the diskette in WordPerfect 5.2 that Rinchem Company, Inc. has requested. This diskette was submitted to the New Mexico Environment Department Hazardous and Radioactive Materials Bureau on July 1, 1996, responding to our technical review request for additional information of April 24, 1996.

We hope that this will resolve the problems that you are experiencing with your copy. If we may be of further assistance, you may contact Phillip Solano of my staff at (505) 827-1561.

Sincerely,

A handwritten signature in cursive script that reads "Barbara Hoditschek".
