Mr. Cameron Fisher, Commander
Criminal Intelligence Section
Department of Public Safety
4801 Indian School Road N.E.
Albuquerque, New Mexico 87110

Dear Mr. Fisher:

RE: **Disclosure Statement Review Request**

Pursuant to the New Mexico Hazardous Waste Management Regulations, Rinchem Company, Inc., submitted a permit application to the New Mexico Environment Department (NMED) for the management of hazardous waste. The hazardous waste will be managed at the facility known as Rinchem Company, Inc., located at 6133 Edith Boulevard N.E., Albuquerque, New Mexico.

Under the New Mexico Hazardous Waste Act, Section 74-4-4.7, every applicant for a permit is required to file a disclosure statement with NMED providing the information required by, and on a form developed by NMED, in cooperation with the Department of Public Safety, at the same time the applicant files the application for a permit with the Secretary.

I am therefore requesting your Department to prepare and transmit to me an investigative report on the applicant, based in part upon the enclosed disclosure statements. The enclosed disclosure statements include those of Rinchem Company, Inc., and other persons who will be, or could reasonably be expected to be, involved in hazardous waste management activities at Rinchem Company, Inc.
