Dear Dr. Dinwiddie:

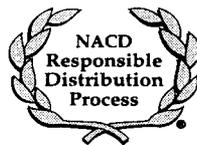

Rinchem Company, Inc received the New Mexico Environment Department's request for supplementary information on the permit renewal application EPA ID NO. NMD002208627 on December 8, 1997 (your letter dated December 2, 1997). Within the second paragraph of the cover letter it states that the information requested must be submitted to the HRMB within thirty calendar days from receipt of the letter.

Due to the amount of material requested, the end of the year with the holidays and Rinchem's commitment to submit accurate information, Rinchem would like to request a 60 day extension. Rinchem would deliver the requested information on or before February 5, 1998.

Should you have any question please contact John Fitzsimons at (505) 345-3655. Thank you.
