RE: Verbal Changes requested by Conelius Amindyas at the Beginning of July

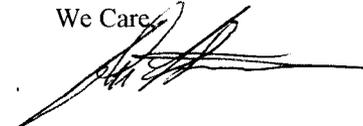

Dear Mr. Dinwiddie:

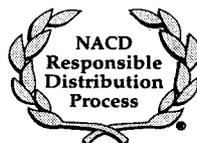

Enclosed please find the additions, corrections and changes that were requested by Conelius Amindyas. The areas of corrections, additions and changes are outlined below. Please note the corrected or changed pages that need to be inserted into ^{you} copies and the three (3) new diskettes that are completely updated.

- ✓ • The list of ^{you} containing the EPA Hazardous Waste number, Estimated Quantity of Waste, Unit of Measure and the Process Codes were added the 3.5" diskette in Word 5.2.
- ✓ • Appendix A on the PETREX Soil Gas Survey was added the diskettes ^{4 on}
- ✓ • There is now a table of acronyms, numbered as page 0, that ^{to} follows the table of contents
- ✓ • The page 7 that was referred to as being upside down, is believed to be the back side of the PAIS form, these forms were recopied and corrected.
- ✓ • A record keeping section was added to page 12
- The title General Inspection Form was added to page 16
- Page 82 was edited and corrected
- Page 84 was edited and corrected
- Note on Page 84 that the USGS will supply the information on groundwater direction if needed
- Monitoring well location has been added to the topographic map.
- Runoff and rainwater containment areas have been added to Figure 2
- North arrow was placed on the building diagram

Should you have any questions please contact me at (505) 345-3655 or (505) 998-4153. Thank You.
