RE: **Rinchem Company, Inc. Container Storage Unit, Draft RCRA Permit (Renewed)**  
**EPA ID #NMD002208627-1.**

Dear Mr. Neleigh:

Enclosed is a copy of the above referenced draft RCRA Permit (formerly separate operating and HSWA Permits), the Draft Legal/Public Notice, and draft Fact Sheet developed by the RCRA Permits Management Program of the New Mexico Environment Department (NMED) for the Rinchem Company, Inc. Container Storage Unit. Upon final approval by NMED, this Permit will replace the operational Permit that expired on April 1, 1998.

Please review the draft Permit and submit your comments to the Hazardous and Radioactive Materials Bureau (HRMB) within thirty (30) calendar days from the date you receive this letter, in accordance with the *Permitting Agreement between the United States Environmental Protection Agency, Region 6, and the New Mexico Environment Department, Section E(1)(b)* dated August 7, 1996. The NMED proposes to proceed with a 45 day public notice period following receipt of your comments to give the public a chance to review and comment on the draft document.

If you have any questions on the draft Permit, please contact Mr. Cornelius Amindyas of my staff at (505) 827-1561x1030.

Sincerely,

Robert S. (Stu) Dinwiddie, Manager  
RCRA Permits Management Program  
Hazardous and Radioactive Materials Bureau

Enclosure

cc: Benito Garcia, Chief, HRMB

Draft

**Public Comments**      Comments and requests for public hearing should include a statement of the nature of the issues proposed to be raised in the hearing and must include the requester's name and address. All comments and requests for public hearing should be sent to the contact person at the above Santa Fe address. The NMED will publish a thirty day (30) notice of a public hearing, if scheduled.

**Final Decision:**              All comments received on the draft Permit during the public comment period will be considered in reaching a final Permit approval decision. The NMED will notify Rinchem Company, Inc., and each person who submitted a written comment, of any changes made in finalizing the Permit.
