PETER MAGGIORE
SECRETARY

CERTIFIED MAIL
RETURN RECEIPT REQUESTED

February 12, 2002

Mr. James H. Moore
Director of Operations
Rinchem Company, Inc.
6133 Edith Boulevard N.E.
Albuquerque, New Mexico 87107

**RE: RCRA PERMIT FOR CONTAINER STORAGE FACILITY
RINCHEM COMPANY, INC., NEW MEXICO NMD002208627**

Dear Mr. Moore:

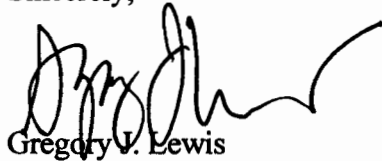

Enclosed is the final permit, issued pursuant to the Resource Conservation and Recovery Act (RCRA), as amended (42 USC 6901, et seq.) and the New Mexico Hazardous Waste Act (Section 74-4-1 et seq., Repl. Pamh. 2000). This Permit, Number NMD002208627, authorizes acceptance, management and storage of hazardous waste by Rinchem Company, Inc., (**Rinchem**) at their container storage facility. Your compliance with the conditions of this permit constitutes compliance with hazardous waste regulations for hazardous waste management and storage for the duration of this permit, unless modified, suspended or revoked. The effective date of this permit is thirty days from the date of this letter.

A Public Notice of the draft permit and public comment period was issued on December 14, 2001 and concluded on January 28, 2002. No comments were received from the public.

Mr. James Moore
February 12, 2002

DECEMBER 2001

HAZARDOUS WASTE FACILITY PERMIT

Name of Permittee: Rinchem Company, Inc.

EPA Identification Number: NMD002208627

Permit Number: NMD002208627-2

Pursuant to the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act (RCRA), as amended (42 U.S.C. 6901, et seq.), and the New Mexico Hazardous Waste Act, NMSA 1978, Sections 74-4-1 et seq. (Repl. Pamph. 1993), and regulations promulgated thereunder by the New Mexico Environmental Improvement Board (codified and to be codified in the Hazardous Waste Management Regulations [20.4.1 NMAC]), a Permit is issued to Rinchem Company, Inc., (the Permittee) to operate a hazardous waste Container Storage Facility (the Facility), comprising seven rooms. The Facility is located at 6133 Edith Boulevard N.E., in the City of Albuquerque, Bernalillo County, New Mexico, on Latitude 35° 08' 39" North, and Longitude 106° 37' 43" West.

The Permittee shall comply with all terms and conditions of this Permit. This Permit consists of the conditions herein including those in the Attachments. Applicable provisions of regulations cited are those which are in effect on the effective date of this permit, New Mexico Hazardous Waste Management Regulations 20.4.1 NMAC (Effective June 14, 2000).

This Permit is based on the assumption that all information contained in the Permit Application and the administrative record is accurate and that the Facility shall be maintained and operated as specified in the application. The permit application consists of information submitted in February 1998 and supplementary technical documents.

Any inaccuracies found in the submitted information may be grounds for the termination or modification of this Permit in accordance with 20.4.1.900 NMAC, incorporating 40 CFR §270.41, §270.42, and §270.43 and for potential enforcement action.

This Permit shall become effective thirty days (30) after notice of the decision has been served on the applicant, and shall remain in effect for ten (10) years in accordance with the New Mexico Hazardous Waste Act, Section 74-4-4 unless modified, suspended or revoked under Section 74-4-4.2 or 20.4.1.900 NMAC, incorporating 40 CFR §270.41, §270.42, §270.43, or continued in accordance with 20.4.1.900 NMAC, incorporating 40 CFR §270.51, or issued for a duration that is less than the full allowable term in accordance with 20.4.1.900 NMAC, incorporating 40 CFR §270.50(c).

Signed this 12th day of February 2002.
