RE: ~~2000~~ Biannual Report Correction for Rinchem Company, Inc., EPA ID Number
NMD002208627.

Dear Ms. Rubio:

As I discussed in our phone conversation July 5th, we have made an error on our Biannual Report that we submitted to you in February of this year. As you requested, we corrected the data on the IC form, correcting the data to show we did not generate any hazardous waste during 1999. I signed the form and retained our original submittal date on the form (February 29th).

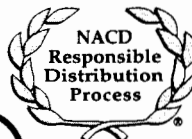

Please substitute the corrected forms for the originally submitted IC form, and the disks for those originally submitted.

If you have any questions, please call
