**RE: Notice of Public Meeting; Renewal Application for Advanced Chemical Treatment, Inc. EPA ID# NMD002208627-1**

To Whom It May Concern:

Advanced Chemical Treatment, Inc. (ACTreatment) will be holding a public information meeting prior to the submittal of a Class 3 Permit Renewal. ACTreatment currently holds a Part B permit which offers a broad spectrum of environmentally sound management technologies for both hazardous and non-hazardous wastes. At our site, waste is consolidated for final disposition at reputable disposal facilities. This meeting will cover the following:

- Discuss content of permit renewal application
- Solicit questions and inform attendees of the proposed hazardous waste management activities
- Describe the upcoming review process

*Meeting Information*

**Date:** Thursday, August 28, 2014

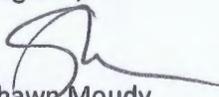

**Location:** 6137 Edith Boulevard N.E., Albuquerque, NM 87107

**Time:** 5:30 PM to 6:30 PM

If you have questions or need special assistance to participate in this meeting, please contact us at least 72 hours before the meeting so that special arrangements can be made:
