Dear Mr. Davis

Enclosed for your review is Cannon's Phase I RCRA Facility Investigation Work Plan, as specified in the HSWA portion of our Operating Permit.

Additional information is being developed for inclusion in the Field Sampling Plan for Solid Waste Management Unit (SWMU) #85. I have been informed by Mr. Jim Richards that he discussed the missing information via telecon with Mr. Richard Mayer on 13 June 1990. Verbal approval was given by Mr. Mayer to submit this information as soon as it is accomplished. I anticipate the information will be completed and forwarded within 20 calendar days.

If you have any questions regarding this work plan, please call Mr. Jim Richards at (505) 784-4639 or Mr. Rick Crow at (505) 784-2739.

Sincerely

David E Benson
