**RE: Sampling & Analysis Plan -
EID review of CAFB's 2/01/91 response
NM7572124454**

Dear Mr. Richards:

The New Mexico Environmental Improvement Division has reviewed the Cannon Air Force Base (CAFB) sampling and analysis plan and finds that CAFB has modified it adequately in response to the Hazardous and Radioactive Waste Bureau's (HRWB) December 5, 1990 comments. HRWB therefore considers that CAFB has adequately complied with Section V.B.7 of the July 13, 1990 Compliance Agreement.

If you have any questions regarding this matter, please contact me at (505) 827-2928.

Sincerely,

Bruce A. Swanton
