MEMORANDUM FOR Chief, Environmental Support Section
(Attn: Bob Wilson)

Subject: Report of Field Activities for Exploratory Trenching of
Cell 3, Landfill 5, Cannon Air Force Base

1. Reference your Memo dated 08 November 1991, copy attached.
2. Attached is the summary of field activities performed at Cannon Air Force Base for the exploratory trenching of Cell 3, Landfill 5. Work was performed during the week of 12 January 1992, in accordance with the referenced memo. Additional excavation of the cell was performed at the request of Jim Richards, ER Coordinator, Cannon Air Force Base. Two hand sketches have been provided to supplement the report.
3. Please contact Jim Martell or Jo Brady of the Geology section if there are any questions.

JOHN H. ROBERTS
Chief, Geotech Branch
