Mr. William Honker
United States Environmental Protection Agency
Region 6
1445 Ross Avenue, Suite 1200
Dallas, Texas 75202-2733

Dear Mr. Honker:

The Hazardous and Radioactive Materials Bureau of the New Mexico Environment Department is requesting that Region 6 refer the case of Cannon Air Force Base SWMU # 113, Landfill #5, to our office for enforcement. NMED believes that this case would be another good introduction to SWMUs and their related enforcement activities. If you are in agreement, please make the appropriate RCRIS entry and send notification of referral to Lee Winn at the above address. Thank you.

Sincerely,

Edward Horst
