RE: Compliance Order 901002 (Your Letter 05 Jun 92)

Dear Mr. Horst

Enclosed you will find a copy of the report and a survey plat of the landfill area. The survey plat does not designate the exact location of Cell 3; however, we will be getting a registered professional land surveyor to perform a survey of the exact location of Cell 3 and will forward that to you soon after it is completed.

If you have any questions, please contact Mr. Jim Richards or Mr. Bruce Hale at (505) 784-2739.
