RE: NM7572124454, Monthly Progress Report, Compliance Agreement

Dear Mr Garcia

A contractor will perform a survey by a registered professional surveyor of the exact location of Landfill 5 Cell 3. We are providing funds and expect the survey to be accomplished during August. The survey plat will be forwarded to you upon our receipt.

Certification of Installation and As Built drawings for Well M were sent to you on 24 Jun 92. We have not received the report on Well L. Upon receipt, we will forward the report and photographs of the core samples to your office.

Your continued cooperation and understanding are appreciated. Any questions concerning this report should be directed to Mr. Jim Richards at 784-4639.

Sincerely

DAVID E. BENSON, Colonel, USAF
