Dear General Goddard:

Thank you for your letter to the Environmental Protection Agency (EPA) dated May 24, 1993, concerning the discovery of Landfill #1 (SWMU 74) and a second landfill site.

As stated in your letter, the investigation of these two newly discovered sites pending the release of Landfill 5 Remedial Investigation results is approved. Also, a no further action decision has been agreed upon by the EPA and Cannon Air Force Base only for Landfill 2 and not for Landfills 3 and 4.

If you have any questions, please contact Bill Hurlbut of my staff at (214) 655-8305.

Sincerely yours,

William K. Honker, P.E.
