Re: Notice of Deficiency, Response to Comments on
 Phase I RCRA Facility Investigation (RFI) Report for
 Appendix I SWMUs
 Cannon Air Force Base, EPA ID NO. NM7572124454

Dear General Goddard:

The Environmental Protection Agency (EPA) has completed a technical review of the RCRA Facility Investigation (RFI) Phase I Report for Landfills 3 & 4 dated February 9, 1993, and the response to comments dated April 13, 1993. Your response did not completely address the NOD dated March 10, 1993. A list of deficiencies is enclosed for your review.

You shall have thirty (30) days from the receipt of this letter to submit an approvable modified Report which addresses the enclosed deficiencies. The modified Report will then become the approved RFI Report.

If you have any questions, please contact Bill Hurlbut of my staff at (214) 655-8305.

Sincerely yours,

William K. Honker, P.E.
 Chief, RCRA Permits Branch
