Re: RFI Phase I Report for Appendix III SWMUs,  
Cannon Air Force Base, EPA ID NO. NM7572124454

Dear Colonel Smith:

Thank you for your letter to the Environmental Protection Agency (EPA) dated August 27, 1993, concerning an extension to the due date of the Phase I Report for Appendix III SWMUs. Cannon AFB states that this delay is due to the Risk Assessment Portion of the RCRA Phase I Draft Report not being on schedule.

Risk Assessment is not a required part of the RCRA Facility Investigation Report. Therefore, your request for an extension to the December 1, 1993, submittal date for the Phase I Report for the Appendix III SWMUs is denied.

If you have any questions, please contact Bill Hurlbut at (214) 655-8305.

Sincerely yours,

William K. Honker, P.E.  
Chief, RCRA Permits Branch
