RE: Closure Certification for Landfill 5 Cell 3

Dear Ms Sisneros

Attached are several documents concerning the closure of the Landfill 5, Cell 3 Soil Cap. These documents are the Closure Certifications signed by the base commander and a professional engineer, a copy of the Base Comprehensive Plan showing that it has been updated to reflect the Cell Cap, and letters attesting that the appropriate staff (Base Planner and Real Estate Officers) have made arrangements to place the Cell location in the Base Comprehensive Plan and Real Estate Records.

These attachments complete the requirements of your September 9, 1993 Notice of Deficiency regarding this issue.

If you have any questions concerning this matter please contact Dr Janice Stowell at (505) 784-4348.

Sincerely

*Lance L. Smith*

OFFICE OF THE SECRETARY

OWNER/OPERATOR  
CLOSURE CERTIFICATION

The undersigned, LANCE L. SMITH, Colonel USAF, Commander 27 Fighter Wing, with its principal place of business at 100 DL Ingram Blvd, Suite 100, Cannon AFB New Mexico, 88103, which formerly operated a hazardous waste landfill, hereinafter known as Landfill No. 5, Cell No. 3 and located on Cannon AFB, in Curry County, New Mexico, has completed and permanently ceased the active operation of the facility and has fully implemented all measures relating to the closure of the facility as set forth in the Closure Plan approved by the State of New Mexico for said facility.

NOW, THEREFORE, I LANCE L. SMITH, Colonel USAF, hereby swear and affirm that the above-named hazardous waste facility has been closed in accordance with the facility's closure plan approved in writing by Kathleen M. Sisneros, Director Water and Waste Management Division of the New Mexico Environment Department, on Sept 22, 1992, that all measures relating to the closure of the facility required by the closure plan and rules and regulations of 40 CFR Ch.1, Section 265.115 Certification of Closure, and Section 265.116 Survey Plat, have been fully implemented, and to the best of my knowledge, no violations continue to exist that may have arisen prior to closure.
