RE: Changes in Staffing at Cannon Air Force Base

Dear Ms Hoditschek

This letter is to inform you of several recent changes in staffing at Cannon Air Force Base.

I have assumed command of the 27th Fighter Wing and will be signing documents sent to your office.

There have been several changes in my Environmental Flight. Mr Bruce G. Oshita is the Chief of the Environmental Flight and Capt Gregory J. Walters is now Deputy Chief, Environmental Flight. Dr Janice Stowell is the Installation Restoration Program (IRP) Remedial Project Manager and has assumed the duties of Capt Mac Crawford. Dr Stowell is the primary IRP Remedial Project Manager. Mr John Eckoff is the alternate IRP Remedial Project Manager.

I hope this updated information eliminates any confusion this has caused your staff.

If you have any questions regarding this matter, please contact Dr Janice Stowell at (505) 784-4348.

Sincerely

  
WILLIAM M. GUTH, Colonel, USAF  
Commander
