Dear Ms. Walker

We appreciate your taking time to conduct the 1993 Hazardous Waste Report training session for Cannon Air Force Base. Our environmental personnel received valuable training that will help us aggressively work toward a safe working and living environment for our personnel.

You mentioned during the training that your office would be willing to grant a 30-day extension to the 1 March 1994 deadline for submitting the biennial hazardous waste report to allow sufficient time after training to prepare the report. On behalf of Cannon AFB, I hereby request such an extension. This will ensure that we have ample time to double-check our figures for accuracy.

If you have any questions concerning this request, the base point of contact is Ms. Vera Wood. Ms. Wood would be happy to respond to any questions or to supply additional information. She may be reached at (505) 784-4348. Thank you for your consideration and support of Cannon AFB.

Sincerely

DAVID A. MITCHELL, Colonel, USAF
Vice Commander
