Ms Barbara Hoditschek
Program Manager, RCRA Permitting
New Mexico Environment Department
1190 St. Francis Drive
Santa Fe NM 87502

Dear Ms. Hoditschek

Enclosed are four unofficial copies of the Cell 3, Landfill 5, Draft Post-Closure Care Plan for Cannon AFB. This plan was developed from our original closure plan for Cell No. 3, and includes revisions based on your comments from the September 2, 1992 Notice of Deficiency. An official copy will follow within a few weeks under our commander's signature. Please route one copy each to Steve Alexander, Lee Winn and Dave Morgan of your agency.

We look forward to hearing from you regarding this Post-Closure Care Plan. Any questions regarding this project may be directed to myself at (505) 784-2739.

Sincerely

SANDI MUKHERJEE, P.E. GS-11
Lead IRP Program Manager
