Dear Ms. Hoditschek

In your letter dated December 28, 1993 concerning the RCRA Facility Investigation (RFI) for Landfill No. 5 (SWMU 113) at Cannon AFB you requested Well 113B be resampled for lead. Cannon resampled this well on February 24, 1994. There was no lead detected during this sampling event. A copy of the laboratory analysis sheets may be found as Attachment 1.

Please direct any questions regarding this issue to Mr. Sandi P. Mukherjee, P. E. at (505) 784-4348.

Sincerely

**JAMES E. STRASLER, Lt Col, USAF  
Commander**
