Headquarters, 27th Fighter Wing (ACC)

Dear General Guth:

The Environmental Protection Agency (EPA) has completed the technical review of the RFI Phase II Report for the Appendix I SWMUs dated July 28, 1994.

In the Phase II Report, there is no mention of which SWMUs are included in this investigation or what work was performed. Cannon AFB will need to address what actions were taken at all the SWMUs that are in the Phase II Appendix I RFI Investigation. You shall have 30 days from the receipt of this letter to submit a modified Phase II Appendix I Report.

If you have any questions, please contact Bill Hurlbut of my staff at (214) 665-8305.

Sincerely yours,
