**RE: CANNON AIR FORCE BASE (CAFB) DRAFT RCRA FACILITY INVESTIGATION  
(RFI) PHASE I WORK PLAN FOR LANDFILL #5, SOLID WASTE  
MANAGEMENT UNIT (SWMU) #113**

Dear Colonel Long:

The New Mexico Hazardous and Radioactive Materials Bureau (HRMB) has reviewed the case file for the above-referenced facility. According to the file, HRMB sent CAFB a list of modifications to the above-referenced RFI Phase I work plan on September 28, 1994 by certified mail. Additionally, this list specified that CAFB must incorporate these modifications into the text of the final approved RFI Phase I work plan. To date, the HRMB has not received a copy of the modified pages of the final approved RFI Phase I work plan. Please submit a copy of these modified pages to the HRMB within two weeks of your receipt of this letter.

If you have any questions, please contact Ms. Susan Hoines at (505) 827-4308.

Sincerely,

A handwritten signature in black ink, appearing to read "Ronald Kern".
