Dear Ms. Hoditschek

Our response to your Notice of Deficiency Landfill 5, Cell 3 Post Closure Care Plan, 28 Feb 95, is attached for your review and approval. A revised final plan will be published after your concerns are resolved.

Please provide your review comments by 15 Apr 95. As previously discussed with several members of your staff, our contract for preparing this plan is about to expire. Once it expires, it will take several months to hire a replacement contractor and respond to any NMED concerns.

If you have any questions on this matter, please contact Mr. Sanford Hutsell or Mr. John Constantine at (505) 784-4348.

Sincerely

CHRISTOPHER S. LONG, Colonel, USAF
