Re: Response to List of Deficiencies
RFI Phase IV, Part A For Landfill #1, SWMU #74

Dear General Guth:

The Environmental Protection Agency (EPA) has completed a review of the Notice of Deficiency on RFI Phase I Work Plan for Landfill 1 and the Draft Community Relations Plan. These documents were received at EPA April 20, 1995.

The EPA has determined that these documents are sufficient for approval. Cannon Air Force Base will have 30 days from receipt of this letter to submit the final Community Relations Plan, and a revised work plan re-titled RFI Phase I Work Plan for Landfill 1 (SWMU #74).

If you have any questions, please contact Mr. Bob Sturdivant of my staff at (214) 665-7440.

Sincerely yours,

Allyn M Davis
