Dear Mr. Garcia:

The Environmental Protection Agency (EPA) has completed a technical review of the Cannon Air Force Base Supplemental Field Sampling Plan for the RFI Phase I Work Plan for Landfill #1 (SWMU 74), dated November 1995. We recommend that the plan be approved with the submittal of a revised project schedule.

If you have any questions, please contact Mr. Bob Sturdivant of my staff at (214) 665-7440.

Sincerely yours,
