SUBJECT: Cannon Air Force Base Restoration Advisory Board (RAB) Meeting

1. On behalf of Cannon Air Force Base (CAFB), it's my pleasure to invite you to the next meeting of the Restoration Advisory Board (RAB) on Thursday, 7 Mar 96 in the 27th Fighter Wing Headquarters conference room. The meeting will begin at 7:00 p.m. and last approximately one and one-half hours.
2. Immediately following the RAB meeting, the Cultural and Natural Resources Section of the CAFB Environmental Flight will present the Integrated Natural Resource Management Plan (INRMP) for CAFB. The INRMP provides a blueprint for the management of cultural and natural resources on CAFB and Melrose Air Force Range for the next five years and beyond. The INRMP presentation is expected to last until 9:00 p.m. RAB members are not required to attend; however, everyone is invited.
3. I also invite you to join Environmental Flight personnel on a tour of IRP sites on Saturday, 9 Mar 96. This tour is tentatively scheduled for 11:00 a.m. All RAB members are encouraged to familiarize themselves with the IRP sites. Details of the tour will be provided at the RAB meeting on 7 Mar 96.
4. A map indicating the location of the RAB meeting site and a copy of the proposed agenda are attached for your convenience. All RAB members are strongly encouraged to attend or to provide an alternate in their absence. The RAB meeting and INRMP presentation are both open to the general public and I welcome all interested parties.
5. If you have any questions regarding this meeting, please contact Mr. John Pike, of my Environmental Flight, at (505) 784-4348.

  
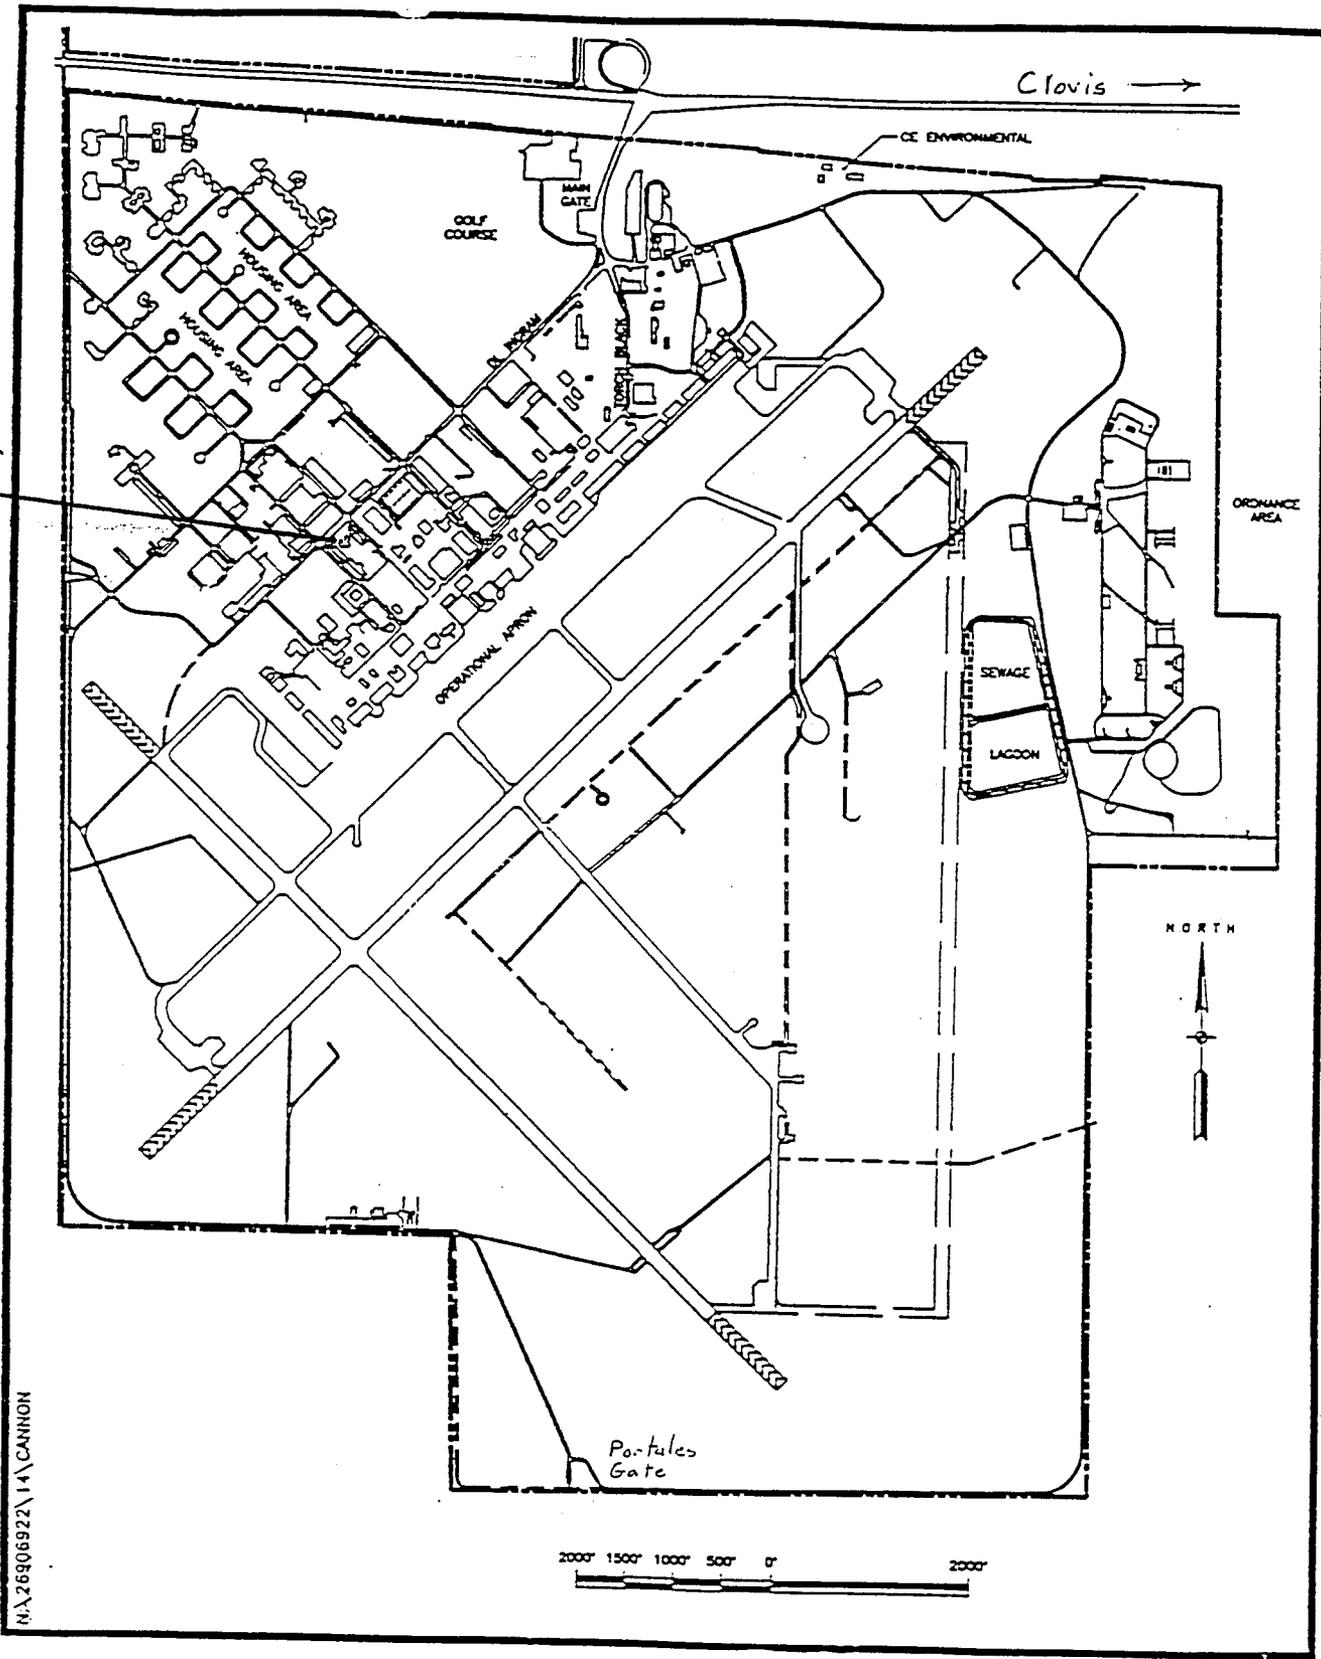

W. P. ARD, Colonel, USAF  
Commander
