Dear Colonel Koerner:

RE: Administrative Order on Consent issued to Cannon AFB on June 17, 1994. ID No. NM7572124454

Thank you for your letter of December 12, 1996 regarding your request to terminate the Administrative Order on Consent (AOC) which resolved Compliance Order NMHWA 93-05 issued on April 21, 1993 by the New Mexico Environment Department (NMED).

Based on review of the information provided, NMED has determined that Cannon AFB has satisfactorily addressed the following matters as set forth in the AOC:

1. Cannon AFB has paid the civil penalty in the amount of \$4,122.
2. Cannon AFB has completed construction of the sewage lagoon monitoring station as described in the AOC.

Your request to terminate the above referenced AOC is approved.

Thank you.

Sincerely,
