Dear Mr. Garcia

Enclosed are some inserts for the final Work Plan for the RCRA Facility Investigation at Fire Training Area #4. These inserts resulted from late comments by the Corps of Engineers. We have incorporated the request in the Notice of Deficiency on the draft Work Plan that Region VI media specific action levels be used as the standard for action.

If you have any questions, please contact Mr. Sanford Hutsell at (505) 784-6378.

Sincerely

W. P. ARD, Colonel, USAF
 Commander, 27th Support Group
