Dear Mr. Garcia

We would like to request a 30-day extension to the Notice of Deficiency on the RCRA Facility Investigation Report for Landfill No. 1, Solid Waste Management Unit #74, making the response due on 30 Aug 97. Mr. Carl Will of your office gave us an extension over the phone and this letter is to formalize our request.

The reason for the extension is that we are having some contract problems. Our old contract with the contractor who performed the work expired. Fortunately, we have a new contract with them but must procure some out of cycle funding from headquarters to place a delivery order against the new contract.

If you have any questions, please contact Mr. Sanford Hutsell at (505) 784-6378 or Mr. John Pike at (505) 784-4348 of my environmental staff.

Sincerely

JAMES A. THOMAS III, Lt Col, USAF
