Dear Mr. Garcia

Enclosed for your review and approval is the response to your request for additional information in your 19 Sep 97 approval letter for the Phase III Resource Conservation and Recovery Act (RCRA) Facility Investigation (RFI) for Solid Waste Management Units (SWMUs) 86-90.

A Statement of Services (SOS) to be performed for the Corrective Measures Study (CMS), requested by your bureau for the SWMUs 86-90, is also included for your review. The SOS is being submitted in lieu of a CMS Plan because the time necessary to acquire funding and award a contract to generate the plan exceeds the New Mexico Environment Department (NMED) time limitation for submittal. The action has been approved by members of your staff as an interim measure until environmental funds can be acquired for the CMS Plan.

If you have any questions, please contact Mr. Sanford Hutsell of my environmental staff, at (505) 784-6378.

Sincerely

James A. Thomas III
