Subject: Extension of Response Period -
Request for Supplemental Information (RSI) for Phase II RCRA Facility
Investigation Report
Fire Training Area No. 4 (SWMU Nos. 109, 110, 111, 112)

Dear Colonel Thomas:

This letter is to confirm RCRA Permits Management Program (RPMP) approval of a thirty day extension to the submittal date for Cannon Air Force Base's response to the above-referenced RSI, as requested in a letter from you to Benito Garcia, Bureau Chief, dated January 30, 1998. Verbal approval of the extension was granted by phone previously. The response to the RSI is now due on February 28, 1998.

This letter will also serve as written confirmation, for the record, of RPMP approval of an extension to the reply date, from October 27, 1997 to November 27, 1997, for the Appendix II & III SWMU's RFI Report. That approval was granted by phone on October 20, 1997. If you have any questions please call Carl Will of my staff at 505-827-1561.

Sincerely,

Robert S. ("Stu") Dinwiddie, Ph.D., Manager
