**SUBJECT: CORRECTIVE MEASURE STUDY REPORT FOR SOLID WASTE
MANAGEMENT UNITS 109, 110, 111, AND 112-
FIRE TRAINING AREA FOUR
CANNON AFB, NEW MEXICO
EPA ID NO. NM7572124454
[HWB-CAFB-02-002]**

Dear Major Duffy:

The New Mexico Environment Department (NMED) has reviewed Cannon Air Force Base's (CAFB) December's 2001 CMS Report for SWMUs 109, 110, 111, and 112 of the Fire Training Area Four and has determined that this report is administratively complete. The New Mexico Hazardous Waste Management Fee Regulations (20.4.2 NMAC) require assessment of fees when the administrative review of a document is complete. HWB will issue an invoice to you under a separate letter. Payment is due within sixty (60) calendar days from the date that you receive the invoice. Upon receipt of the fees, NMED will review the CMS Report for technical adequacy.

If you need to request an extension of the sixty-day period, the request must be received by NMED a minimum of fourteen (14) calendar days prior to the end of the sixty-day period. If you disagree with the fee assessed, then CAFB may file an Administrative Appeal under the provisions

Major Duffy
