**SUBJECT: ISSUANCE OF A HAZARDOUS WASTE PERMIT  
CANNON AIR FORCE BASE  
EPA ID No. NM7572124454**

Dear Interested Citizen:

The New Mexico Environment Department (NMED) is issuing a Hazardous Waste Permit to the Cannon Air Force Base (AFB), New Mexico, Permit No. NM7572124454-1. This Permit requires Cannon AFB to implement corrective action at its solid waste management units (SWMUs) and areas of concern (AOCs).

NMED issued a draft of the Permit on August 10, 2003 and solicited public comment between August 10 and September 24, 2003. Cannon AFB submitted the only comments received during the public comment period. The NMED Response to Comments, the Permit with marked changes based on revisions made in response to the comments, and the final Permit may be viewed on the NMED Hazardous Waste Bureau website at <http://www.nmenv.state.nm/HWB/cafbperml.html>. Copies of the final Permit also are available to the public in the Hazardous Waste Bureau library located at the address listed above.

Please contact Mr. Glenn von Gonten of my staff at 505-428-2551, if you have questions or comments.

Sincerely,

John E. Kieling  
Manager  
Permits Management Program
