Subject: Cannon AFB - HSWA Permit

Dear Ms. Martin

Cannon AFB requests a 30 day extension to the requirement in paragraph 2.1.1 stating that "The Permittee shall submit RCRA Facility Investigation (RFI) Work Plans within 180 days of the effective date of this permit..." for the listed Solid Waste Management Units (SWMU's) and Areas of Concern (AOC's). We have retained a consultant to accomplish the work plan(s) and have received a preliminary proposed RFI action plan for the 26 SWMU's and AOC's.

After a discussion with Mr von Gonten on the requirements for a complete RFI Work Plan, we would like to incorporate his comments and suggestions into our preliminary plan. The 30 day extension will allow us to do so. If you have any questions please contact Mr. Peter P. Zamie at 505-784-1092.

Sincerely

ROBERT S. PYEATT, GS-14
