Dear Colonel Posner:

The purpose of this letter is to replace our fee assessment letter dated April 21, 2005 for the above titled document. NMED erroneously used the incorrect name in the salutation and also incorrectly referenced WSMR in the body of the letter. NMED apologizes for the errors in our original letter.

The New Mexico Environment Department (NMED) has received Cannon Air Force Base's (CAFB) October 2004 *Hazardous and Solid Waste Amendments / Corrective Action-Related Permit Modification Request, No Further Action Proposals*. NMED has accepted the document for technical review. NMED will provide CAFB with a full technical review after the appropriate fees have been received. The fee invoice will be sent to you under separate cover. Upon receipt of the payment, NMED will initiate the technical review of the report in accordance with 20.4.2.200.A(7) NMAC.
