MEMORANDUM FOR RESTORATION ADVISORY BOARD CHAIRMAN

FROM: 27 CES/CEV

SUBJECT: Restoration Advisory Board (RAB) Meeting Minutes, 28 Apr 05

1. The RAB was called to order at 7:05 pm, 28 Apr 05, by Lt Col James Lewis, the Chairman to the Restoration Advisory Board, who then turned the meeting over to Mr. Pete Zamie. Attendance is reflected in attachment 1.
2. A copy of the slides presented at the RAB meeting is at attachment 2.
3. Action Items:
 - a. Increase advertisement of RAB meetings to include the CAFB Commander's Channel and the public access channels in both Clovis and Portales. (OPEN; OPR: Mr. Zamie; ECD: Next RAB)
 - b. Obtain the telemetry information the United States Geological Survey has collected from the three new wells installed for that purpose around the base. (OPEN; OPR: Mr. Zamie; ECD: Next RAB)
 - c. The adjournment/dissolution of the RAB was discussed. Mr. Zamie researched the possibility and reported that it would not be difficult to complete the process. However, the Base Realignment and Closure process could have an effect on the future of CAFB, and depending on the outcome, the RAB could still be required. Therefore, it was decided to delay action on adjournment indefinitely. (CLOSED)
 - d. Mr. Harrell, the Community Co-Chair, submitted a letter of resignation. Action on this item was deferred until the next meeting. (OPEN; OPR: Mr. Zamie; ECD: Next RAB)
4. The meeting was adjourned at 7:20 pm. The next meeting is tentatively scheduled for Aug 05 in Clovis.

PETER P. ZAMIE, GS-12, PE
Recorder

CANNON AIR FORCE BASE

RESTORATION PROGRAM UPDATE

Cannon AFB Restoration Update

- Performance Based Restoration/Management
- FY 05 Projects
- NFA Proposals
- Future First Planning (F2P)
- Part III Permit Modification

Performance Based Restoration/Management

- Cannon is grouped with Dyess, Minot, Holloman and Davis-Monthan
- AFCEE is the new service center vice the Omaha COE
- HydroGeoLogic, Inc. (HGL) has visited Cannon and AFCEE has reviewed their proposal and the contract was awarded April 18, 2005

FY 05 Projects

- Long Term Monitoring at LF's 3, 4 and 25
 - Falls under Performance Based Management
 - Transferred from Omaha COE to AFCEE
 - May be delayed in implementation - contract signed with HGL on April 18, 2005

Status of NFA Sites

- NFA site determination completed by NMED
 - 34 Solid Waste Management Units (SWMUs) are ready
 - Package sent to NMED for review
 - Comments received with direction to submit Part III Modification to remove them from the permit
 - Part III Permit Modification request submitted
 - Document deemed technically complete
 - Will receive invoice for review fee soon

Status of NFA Sites

- 21 SWMUs qualify with additional documentation
 - Consultant preparing documentation for submittal
- 29 SWMUs need additional investigation or have documents awaiting review by NMED

Future First Planning

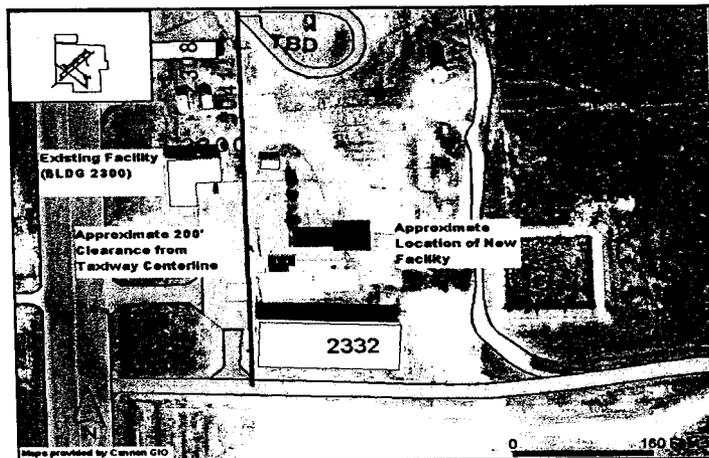

- Test Cell Administrative Building
 - Environmental cleanup of site SD-11 (fuels)
 - Relocates Bldg 2330 outside of the taxiway clear zone
 - Funds made available for Customer Concept Document (CCD) in June 04
 - CCD completed Jan 05
 - Comments returned to consultant in Mar 05
 - Current working estimates are \$900K for clean up of SD-11 and \$620K for new facility

Future First Planning

Test Cell Administrative Building

PART III PERMIT MODIFICATION

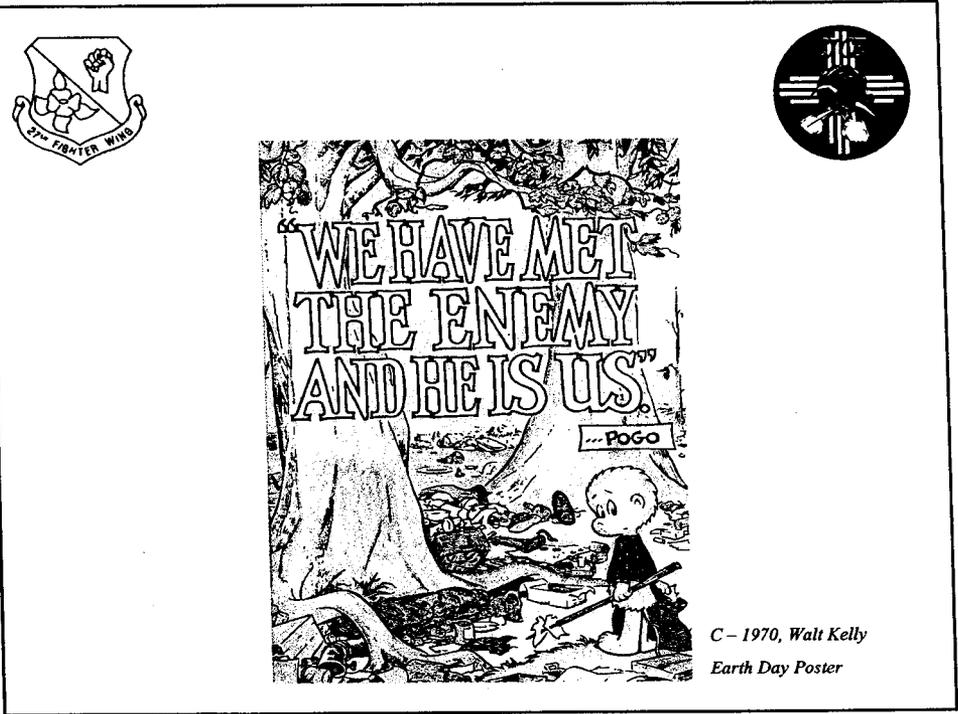

- Public hearing notice published on April 10th in the Clovis News-Journal and the Portales News-Tribune
- 60 day public comment period ends June 10th. Comments should be addressed to NMED as stated in the notice

Wrap-Up

- Dissolution of RAB
- Next RAB Meeting - Clovis
- Topics of Discussion
- Questions and Comments from Public
