RE: ANNUAL UNIT AUDIT – CALENDAR YEAR 2004 - REVISED
CANNON AIR FORCE BASE NM7572124454

Dear Colonel Posner:

The New Mexico Environment Department (NMED) has completed the Final Annual Unit Audit (AUA) for Calendar Year 2004 for your facility. Enclosed are the revised AUA Tables only for those units that will be billed. The revised Tables were developed from the draft Annual Unit Audit dated April 25, 2005 and comments received from your facility. Also enclosed is an invoice for the Annual Hazardous Waste Management Business Fee (AHWMBF). The tables are formatted accordingly: 1) Table A includes all operating, closure, and post-closure care units; 2) Table B includes corrective action units (e.g. SWMUs); and 3) Table C is the summary of all billable units.

As requested in the April 25, 2005 letter from NMED, if your facility has operating unit(s), that did not manage hazardous waste for the entire 2004 calendar year, an affidavit must be provided to NMED affirming no such activity. NMED will then not assess a fee for the 2004 calendar year. The Annual Hazardous Waste Management Business Fee shall be paid in full if permitted hazardous waste management activities took place at the site or unit during any part of the calendar year, 20.4.2.208.1 NMAC.

Under the provisions of 20.4.2.301.1 NMAC "Payment shall be due within sixty (60) days of receipt of the invoice unless the facility submits to NMED/HRMB a written request and receives

written approval to extend the time for payment before the date payment is due.” Should the Return Receipt Request card attached to this letter be returned without a date of receipt the fee is due within sixty (60) days of the date of this letter.

Should your facility find it necessary to appeal the Annual Fee invoice under the provisions of 20.4.2.302 NMAC the appeal must be filed within thirty (30) days of the date of the invoice accompanying this letter. Any appeal of the AHWMBF invoice must be filed in writing and accompanied by a copy of the invoice being contested and state the grounds upon which the appellant disagrees with the assessment.

Appeals must be filed directly with the:
