Good Morning Cheryl,
 Per your request and as usual, Jeff (URS) pulled our bacon out of the fire and found the report and analytical data.
 Concur with your approach and am looking forward to your response.
 Respectfully,
 Jerry

Jerry,

Yes, it does seem reasonable if there is no record of payment for their review of the report, etc.

Attached is the PDF of the final report that I mentioned yesterday along with the report tables in Excel. Please feel free to forward these to Cheryl, or if you prefer, I could send them directly to her and CC you.

Jeff, I feel that the NMED resolution to the issue is fair, and you?
